Item 1.01 Entry into a Material Definitive Agreement.

On October 8, 2015, MGT Capital Investments, Inc. (the “Company”) entered into separate subscription agreements (the “Subscription Agreement”) with accredited investors (the “Investors”) relating to the issuance and sale of \$700,000 of units (the “Units”) at a purchase price of \$0.25 per Unit, with each Unit consisting of one share (the “Shares”) of the Company’s common stock, par value \$0.001 per share (the “Common Stock”) and a three year warrant (the “Warrants”) to purchase two shares of Common Stock at an initial exercise price of \$0.25 per share (such sale and issuance, the “Private Placement”).

The Warrants are exercisable at a price of \$0.25 on the earlier of (i) one year from the date of issue or (ii) the occurrence of certain corporate events, including a private or public financing, subject to approval of the lead investor, in which the Company receives gross proceeds of at least \$7,500,000; a spinoff; one or more acquisitions or sales by the Company of certain assets approved by the stockholders of the Company; or a merger, consolidation, recapitalization, or reorganization approved by the stockholders of the Company (each, a “Qualifying Transaction”). The Warrants may be exercised by means of a “cashless exercise” following the four month anniversary of the date of issue, provided that the Company has consummated a Qualifying Transaction and there is no effective registration statement registering the resale of the shares of Common Stock underlying the Warrants (the “Warrant Shares”). The Company is prohibited from effecting an exercise of any Warrant to the extent that, as a result of any such exercise, the holder would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of such Warrant, which beneficial ownership limitation may be increased by the holder up to, but not exceeding, 9.99%. The Warrants are also subject to certain adjustments upon certain actions by the Company as outlined in the Warrants.

Prior to receipt of Shareholder Approval as discussed below, the Warrants in the aggregate shall not be exercisable into more than 19.99% of the number of shares of Common Stock outstanding as of the closing date (the “Exercise Cap”). In order to permit the full exercise of the Warrants in accordance with applicable listing rules of the NYSE MKT, the Company agreed to hold a special meeting of shareholders (which may also be at the annual meeting of shareholders) for the purpose of obtaining shareholder approval for removal of the Exercise Cap (“Shareholder Approval”), with the recommendation of the Company’s Board of Directors that such proposal be approved (the “Proposal”). In connection with the Shareholder Approval, the Company entered into voting agreements (the “Voting Agreements”) with each of Robert Ladd, its Chief Executive Officer, President and a director, and Josh Silverman, a director, to vote their existing shares in favor of the Proposal. Mr. Silverman also purchased \$75,000 of Units in the Private Placement.

The Company has undertaken, pursuant to the Subscription Agreement, to file a registration statement to register the Shares and Warrant Shares (the “Registration Statement”) within 30 days following the closing and to use its best efforts to have the Registration Statement declared effective 60 days from the filing date. The Subscription Agreement also provides the Investors with a 50% right of participation in future securities offerings of the Company for a period of one year from the closing. The Company agreed not to issue new equity securities, subject to certain exceptions, without the approval of the lead investor for a period of five months from the closing and not to issue any securities pursuant to an at-the-market offering until the earlier of (i) the six month anniversary of the closing or (ii) such date as the closing price of the Common Stock is at least \$0.75 for five consecutive trading days and the Registration Statement has been declared effective.

The Subscription Agreement also contains other customary representations, warranties and agreements by the Company and the Investors. The representations, warranties and covenants contained in the Subscription Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement and may be subject to limitations agreed upon by the contracting parties.

The offering is being made pursuant to an exemption from registration under Section 4(a)(2) of the Securities Act of 1933, as amended (the “Securities Act”).

The foregoing descriptions of the Subscription Agreement, the Warrants and the Voting Agreement are not complete and are qualified in their entirety by reference to the full text of the Form of Subscription Agreement, the Form of Common Stock Purchase Warrant and Form of Voting Agreement, copies of which are filed as Exhibit 10.1, Exhibit 10.2, and Exhibit 10.3, respectively, to this report and are incorporated by reference herein.

The Company issued a press release on October 9, 2015 announcing the transaction, which press release is attached as Exhibit 99.1 to this report.

Item 3.02 Unregistered Sales of Equity Securities

On October 8, 2015, the Company issued the Units, consisting of the Shares and the Warrants, in exchange for aggregate gross proceeds of \$700,000. The details of this transaction are described in Item 1.01, which is incorporated by reference, in its entirety, into this Item 3.02.

The Units, the Shares and the Warrants have not been registered under the Securities Act, or the securities laws of any state, and were offered and issued in reliance on the exemption from registration under the Securities Act, afforded by Section 4(a)(2).

1. SUBSCRIPTION AND PURCHASE PRICE

(a) Subscription. Subject to the conditions set forth in Section 2 hereof, the Subscriber hereby subscribes for and agrees to purchase the number of Units indicated on page 23 hereof on the terms and conditions described herein.

(b) Purchase of Units. The Subscriber understands and acknowledges that the purchase price to be remitted to the Company in exchange for the Units shall be set at \$0.25 per Unit, for an aggregate purchase price as set forth on page 23 hereof (the "Aggregate Purchase Price"), which shall be equivalent to \$0.25 per Share, exclusive of the value of the Warrants. The Subscriber's delivery of this Agreement to the Company shall be accompanied by payment for the Units subscribed for hereunder, payable in United States Dollars, by wire transfer of immediately available funds delivered to the Company in accordance with the wire instructions set forth on Exhibit B attached hereto. The Subscriber understands and agrees that, subject to Section 2 and applicable laws, by executing this Agreement, it is entering into a binding agreement.

2. ACCEPTANCE, OFFERING TERM AND CLOSING PROCEDURES

(a) Acceptance. Subject to full, faithful and punctual performance and discharge by the Company of all of its duties, obligations and responsibilities as set forth in this Agreement, the Warrant and any other agreement entered into between the Subscriber and the Company relating to this subscription (collectively, the "Transaction Documents") to be performed or discharged on or prior to the Closing in which such Subscriber participates, the Subscriber shall be legally bound to purchase the Units pursuant to the terms and conditions set forth in this Agreement. In the event the Closing does not take place because of (i) the election not to purchase the Units by the Subscriber or (ii) the failure to effectuate the Initial Closing (as defined below) on or prior to October 9, 2015 (unless extended in the discretion of the Board of Directors) for any reason or no reason, this Agreement and any other Transaction Documents shall thereafter be terminated and have no force or effect, and the parties shall take all steps, including the execution of instructions to the Company, to ensure that the Aggregate Purchase Price shall promptly be returned or caused to be returned to the Subscriber without interest thereon or deduction therefrom.

(b) Closing. The closing of the purchase and sale of the Units hereunder (the "Closing") shall take place at such time and place as determined by the Company and may take place in one of more closings. Closings shall take place on a Business Day promptly following the satisfaction of the conditions set forth in Section 6 below, as determined by the Company (the "Closing Date"). "Business Day" shall mean from the hours of 9:00 a.m. (Eastern Time) through 5:00 p.m. (Eastern Time) of a day other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required to be closed. The Units purchased by the Subscriber will be delivered by the Company promptly following the Final Closing Date (as defined herein) of the Offering. The initial closing shall be referred to as the "Initial Closing" and may be held upon receipt and acceptance of subscriptions equal to at least the Minimum Offering Amount prior to October 9, 2015. The date of the Initial Closing is sometimes referred to as the "Initial Closing Date." Subsequent closings (each a "Subsequent Closing") will be held until the earlier to occur of: (i) termination of the Offering by the Company, and (ii) October 9, 2015 (the "Final Closing" and such date of the Final Closing, the "Final Closing Date"), without additional notice to Subscribers. Officers, directors and affiliates of the Company and the placement agents, if any, may purchase Units in the Offering.

(c) Following Acceptance or Rejection. The Subscriber acknowledges and agrees that this Agreement and any other documents delivered in connection herewith will be held by the Company. Prior to the Company's execution, in the event that this Agreement is not accepted by the Company for whatever reason, which the Company expressly reserves the right to do, this Agreement, the Aggregate Purchase Price received (without interest thereon) and any other documents delivered in connection herewith will be returned to the Subscriber at the address of the Subscriber as set forth in this Agreement. If this Agreement is accepted by the Company, the Company is entitled to treat the Aggregate Purchase Price received as an interest free loan to the Company until such time as the Subscription is accepted.

(d) Reserved.

(e) Extraordinary Events Regarding Common Stock. In the event that the Company shall (a) issue additional shares of Common Stock as a dividend or other distribution on outstanding Common Stock, (b) subdivide its outstanding shares of Common Stock, or (c) combine its outstanding shares of the Common Stock into a smaller number of shares of Common Stock, then, in each such event, the Purchase Price shall, simultaneously with the happening of such event, be adjusted by multiplying the then Purchase Price by a fraction, the numerator of which shall be the number of shares of Common Stock outstanding immediately prior to such event and the denominator of which shall be the number of shares of Common Stock outstanding immediately after such event, and the product so obtained shall thereafter be the Purchase Price then in effect. The Purchase Price, as so adjusted, shall be readjusted in the same manner upon the happening of any successive event or events described herein. The number of Units that the Subscriber shall thereafter be entitled to receive (including number of shares of Warrant Shares the Subscriber may thereafter be entitled to receive upon exercise of the Warrants) shall be adjusted to a number determined by multiplying the number of shares of Common Stock that would otherwise (but for the provisions of this Section) be issuable on such conversion or exercise by a fraction of which (a) the numerator is the Purchase Price that would otherwise (but for the provisions of this Section) be in effect, and (b) the denominator is the Purchase Price then in effect.

(f) Certificate as to Adjustments. In each case of any adjustment or readjustment in (i) the Shares, (ii) the the number of Warrant Shares issuable upon the exercise of the Warrants, or (iii) the exercise price of the Warrants, the Company, at its expense, will promptly cause its Chief Financial Officer or other appropriate designee to compute such adjustment or readjustment in accordance with the terms hereof and of the Warrant, and prepare a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company will forthwith mail a copy of each such certificate to the Subscriber. To the extent any such certificate contains material non-public information, the Company shall, no later than the first Business Day after the date of delivery of such certificate to the Subscriber, include such material non-public information in a Current Report on Form 8-K filed with the United States Securities and Exchange Commission (the “SEC”). From and after the filing of such Form 8-K, the Company shall have disclosed all material non-public information (if any) delivered to the Subscriber by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents in connection with the transactions described in such certificate.

3. THE SUBSCRIBER’S REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Subscriber, severally and not jointly, hereby acknowledges, agrees with and represents, warrants and covenants to the Company, as follows:

(a) The Subscriber has full power and authority to enter into this Agreement, the execution and delivery of which has been duly authorized, if applicable, and this Agreement constitutes a valid and legally binding obligation of the Subscriber, except as may be limited by bankruptcy, reorganization, insolvency, moratorium and similar laws of general application relating to or affecting the enforcement of rights of creditors, and except as enforceability of the obligations hereunder are subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or law).

(b) The Subscriber acknowledges its understanding that the Offering and sale of the Securities is intended to be exempt from registration under the Securities Act, by virtue of Section 4(a)(2) of the Securities Act and the provisions of Regulation D promulgated thereunder (“Regulation D”). In furtherance thereof, the Subscriber represents and warrants to the Company and its affiliates as follows:

(i) The Subscriber realizes that the basis for the exemption from registration may not be available if, notwithstanding the Subscriber’s representations contained herein, the Subscriber is merely acquiring the Securities for a fixed or determinable period in the future, or for a market rise, or for sale if the market does not rise. The Subscriber does not have any such intention.

(ii) The Subscriber realizes that the basis for exemption would not be available if the Offering is part of a plan or scheme to evade registration provisions of the Securities Act or any applicable state or federal securities laws, except sales pursuant to a registration statement or sales that are exempted under the Securities Act.

(iii) The Subscriber is acquiring the Securities solely for the Subscriber's own beneficial account, for investment purposes, and not with a view towards, or resale in connection with, any distribution of the Securities.

(iv) The Subscriber has the financial ability to bear the economic risk of the Subscriber's investment, has adequate means for providing for its current needs and contingencies, and has no need for liquidity with respect to an investment in the Company.

(v) The Subscriber and the Subscriber's attorney, accountant, purchaser representative and/or tax advisor, if any (collectively, the "Advisors") has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of a prospective investment in the Securities. If other than an individual, the Subscriber also represents it has not been organized solely for the purpose of acquiring the Securities.

(vi) The Subscriber (together with its Advisors, if any) has received all documents requested by the Subscriber, if any, and has carefully reviewed them and understands the information contained therein, prior to the execution of this Agreement.

(c) The Subscriber is not relying on the Company or any of its employees, agents, sub-agents or advisors with respect to the legal, tax, economic and related considerations involved in this investment. The Subscriber has relied on the advice of, or has consulted with, only its Advisors. Each Advisor, if any, has disclosed to the Subscriber in writing (a copy of which is annexed to this Agreement) the specific details of any and all past, present or future relationships, actual or contemplated, between the Advisor and the Company or any affiliate or sub-agent thereof.

(d) The Subscriber has carefully considered the potential risks relating to the Company and a purchase of the Securities, and fully understands that the Securities are a speculative investment that involves a high degree of risk of loss of the Subscriber's entire investment. Among other things, the Subscriber has carefully considered each of the risks described under the heading "*Risk Factors*" and "*Forward Looking Statements*" in the Company's SEC Filings (as defined below) and any additional disclosures in the nature of Risk Factors described herein.

(e) The Subscriber will not sell or otherwise transfer any Securities without registration under the Securities Act or an exemption therefrom, and fully understands and agrees that the Subscriber must bear the economic risk of its purchase because, among other reasons, the Securities have not been registered under the Securities Act or under the securities laws of any state and, therefore, cannot be resold, pledged, assigned or otherwise disposed of unless they are subsequently registered under the Securities Act and under the applicable securities laws of such states, or an exemption from such registration is available. In particular, the Subscriber is aware that the Securities are "restricted securities," as such term is defined in Rule 144 promulgated under the Securities Act ("Rule 144"), and they may not be sold pursuant to Rule 144 unless all of the conditions of Rule 144 are met. The Subscriber also understands that the Company is under no obligation to assist the Subscriber in complying with any exemption from registration under the Securities Act or applicable state securities laws. The Subscriber understands that any sales or transfers of the Securities are further restricted by state securities laws and the provisions of this Agreement.

(f) No oral or written representations or warranties have been made, or information furnished, to the Subscriber or its Advisors, if any, by the Company or any of its officers, employees, agents, sub-agents, affiliates, advisors or subsidiaries in connection with the Offering, other than any representations of the Company contained herein, and in subscribing for the Units the Subscriber is not relying upon any representations other than those contained herein.

(g) The Subscriber's overall commitment to investments that are not readily marketable is not disproportionate to the Subscriber's net worth, and an investment in the Securities will not cause such overall commitment to become excessive.

- (h) The Subscriber understands and agrees that the certificates for the Securities shall bear substantially the following legend:

“[NEITHER THE ISSUANCE AND SALE OF THE SECURITIES REPRESENTED BY THIS CERTIFICATE NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE EXERCISABLE HAVE BEEN][THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN] REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL TO THE HOLDER (IF REQUESTED BY THE COMPANY), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD OR ELIGIBLE TO BE SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.”

(i) Certificates evidencing Securities shall not be required to contain the legend set forth in Section 3(h) above or any other legend (i) while a registration statement covering the resale of such Securities is effective under the Securities Act, (ii) following any sale of such Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (iii) if such Securities are eligible to be sold, assigned or transferred under Rule 144 and the Subscriber is not an affiliate of the Company (provided that the Subscriber provides the Company with reasonable assurances that such Securities are eligible for sale, assignment or transfer under Rule 144 which shall not include an opinion of the Subscriber’s counsel), (iv) in connection with a sale, assignment or other transfer (other than under Rule 144), provided that the Subscriber provides the Company with an opinion of counsel (at the expense of the Company), in a form generally acceptable to the Company, to the effect that such sale, assignment or transfer of the Securities may be made without registration under the applicable requirements of the Securities Act or (v) if such legend is not required under applicable requirements of the Securities Act (including, without limitation, controlling judicial interpretations and pronouncements issued by the SEC). If a legend is not required pursuant to the foregoing, the Company shall no later than three (3) business days following the delivery by the Subscriber to the Company or the transfer agent (with notice to the Company) of a legended certificate representing such Securities (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), together with any other deliveries from the Subscriber as may be required above in this Section 3(i), as directed by the Subscriber, either: (A) provided that the Company’s transfer agent is participating in the DTC Fast Automated Securities Transfer Program and such Securities are Shares or Warrant Shares, credit the aggregate number of shares of Common Stock to which the Subscriber shall be entitled to the Subscriber’s or its designee’s balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Company’s transfer agent is not participating in the DTC Fast Automated Securities Transfer Program, issue and deliver (via reputable overnight courier) to the Subscriber, a certificate representing such Securities that is free from all restrictive and other legends, registered in the name of the Subscriber or its designee. The Company shall be responsible for any transfer agent fees or DTC fees with respect to any issuance of Securities or the removal of any legends with respect to any Securities in accordance herewith.

(j) Neither the SEC nor any state securities commission has approved the Securities or passed upon or endorsed the merits of the Offering. There is no government or other insurance covering any of the Securities.

(k) The Subscriber and its Advisors, if any, have had a reasonable opportunity to ask questions of and receive answers from a person or persons acting on behalf of the Company concerning the Offering and the business, financial condition, results of operations and prospects of the Company, and all such questions have been answered to the full satisfaction of the Subscriber and its Advisors, if any.

(l) (i) In making the decision to invest in the Securities the Subscriber has relied solely upon the information provided by the Company in the Transaction Documents. To the extent necessary, the Subscriber has retained, at its own expense, and relied upon appropriate professional advice regarding the investment, tax and legal merits and consequences of this Agreement and the purchase of the Securities hereunder. The Subscriber disclaims reliance on any statements made or information provided by any person or entity in the course of Subscriber's consideration of an investment in the Securities other than the Transaction Documents.

(ii) The Subscriber represents and warrants that: (i) the Subscriber was contacted regarding the sale of the Securities by the Company (or an authorized agent or representative thereof) with whom the Subscriber had a prior substantial pre-existing relationship and (ii) no Securities were offered or sold to it by means of any form of general solicitation or general advertising, and in connection therewith, the Subscriber did not (A) receive or review any advertisement, article, notice or other communication published in a newspaper or magazine or similar media or broadcast over television or radio, whether closed circuit, or generally available; or (B) attend any seminar meeting or industry investor conference whose attendees were invited by any general solicitation or general advertising; or (C) observe any website or filing of the Company with the SEC in which any offering of securities by the Company was described and as a result learned of any offering of securities by the Company.

(m) The Subscriber has taken no action that would give rise to any claim by any person for brokerage commissions, finders' fees or the like relating to this Agreement or the transactions contemplated hereby.

(n) The Subscriber is not relying on the Company or any of its employees, agents, or advisors with respect to the legal, tax, economic and related considerations of an investment in the Securities, and the Subscriber has relied on the advice of, or has consulted with, only its own Advisors.

(o) The Subscriber acknowledges that any estimates or forward-looking statements or projections furnished by the Company to the Subscriber were prepared by the management of the Company in good faith, but that the attainment of any such projections, estimates or forward-looking statements cannot be guaranteed by the Company or its management and should not be relied upon.

(p) No oral or written representations have been made, or oral or written information furnished, to the Subscriber or its Advisors, if any, in connection with the Offering that are in any way inconsistent with the information contained herein.

(q) (For ERISA plans only) The fiduciary of the ERISA plan (the "Plan") represents that such fiduciary has been informed of and understands the Company's investment objectives, policies and strategies, and that the decision to invest "plan assets" (as such term is defined in ERISA) in the Company is consistent with the provisions of ERISA that require diversification of plan assets and impose other fiduciary responsibilities. The Subscriber or Plan fiduciary (i) is responsible for the decision to invest in the Company; (ii) is independent of the Company and any of its affiliates; (iii) is qualified to make such investment decision; and (iv) in making such decision, the Subscriber or Plan fiduciary has not relied primarily on any advice or recommendation of the Company or any of its affiliates.

(r) This Agreement is not enforceable by the Subscriber unless it has been accepted by the Company, and the Subscriber acknowledges and agrees that the Company reserves the right to reject any subscription for any reason.

(s) The Subscriber is an "Accredited Investor" as defined in Rule 501(a) under the Securities Act. In general, an "Accredited Investor" is deemed to be an institution with assets in excess of \$5,000,000 or individuals with a net worth in excess of \$1,000,000 (excluding such person's residence) or annual income exceeding \$200,000 or \$300,000 jointly with his or her spouse.

(t) The Subscriber, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the Offering, and has so evaluated the merits and risks of such investment. The Subscriber has not authorized any person or entity to act as its Purchaser Representative (as that term is defined in Regulation D of the General Rules and Regulations under the Securities Act) in connection with the Offering. The Subscriber is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment.

4. THE COMPANY'S REPRESENTATIONS, WARRANTIES AND COVENANTS

The Company hereby acknowledges, agrees with and represents, warrants and covenants to each Subscriber as of the date hereof and as of the Closing Date, except as set forth in the disclosure schedule attached hereto (the "Company Disclosure Schedule", which Company Disclosure Schedules shall be deemed a part hereof and shall qualify any representation made herein only to the extent of the disclosure contained in the corresponding section of the Disclosure Schedules, as follows:

(a) Organization and Qualification. The Company is a corporation duly organized, validly existing and in good standing under the laws of its state of incorporation. The Company is duly qualified to do business, and is in good standing in the states required due to (a) the ownership or lease of real or personal property for use in the operation of the Company's business or (b) the nature of the business conducted by the Company, except where the failure to so qualify would not, individually or in the aggregate, have a Material Adverse Effect (as defined in this Section 4(a)). Except as set forth on Schedule 4 (h), the issuance and sale of the Securities will not obligate the Company to issue shares of Common Stock or other securities to any Person (other than the Subscribers) and will not result in a right of any holder of Company securities to adjust the exercise, conversion, exchange or reset price under any of such securities. All of the outstanding shares of capital stock of the Company are duly authorized, validly issued, fully paid and nonassessable, have been issued in material compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. As long as any Subscriber owns Securities, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act. As long as any Subscriber owns Securities, if the Company is not required to file reports pursuant to the Exchange Act, it will prepare and furnish to the Subscribers and make publicly available in accordance with Rule 144(c) under the Securities Act such information as is required for the Subscribers to sell the Securities under Rule 144. The Company further covenants that it will take such further action as any holder of Securities may reasonably request, at the sole cost and expense of the Company including transfer agent and legal opinion fees and expenses, all to the extent required from time to time to enable such person to sell such Securities without registration under the Securities Act within the limitation of the exemptions proved by Rule 144 under the Securities Act.

(b) Shareholder Rights Plan. No claim will be made or enforced by the Company or, to the knowledge of the Company, any other person that any Subscriber is an "Acquiring Person" under any shareholder rights plan or similar plan or arrangement in effect or hereafter adopted by the Company, or that any Subscriber could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Company and the Subscribers.

(c) Securities Laws Disclosure; Publicity. The Company shall by 8:30 a.m. (New York City time) (a) on the third Business Day after this Agreement has been executed, file a Current Report on Form 8-K with the SEC (the “8-K Filing”), including the Transaction Documents as exhibits thereto. From and after the issuance of the 8-K Filing, the Company shall have publicly disclosed all material, non-public information delivered to any of the Subscribers by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees or agents. The Company and each Subscriber shall consult with each other in issuing any press releases with respect to the transactions contemplated hereby, and no Subscriber shall issue any such press release or otherwise make any such public statement without the prior consent of the Company, which consent shall not unreasonably be withheld. Notwithstanding the foregoing, the Company shall not publicly disclose the name of any Subscriber, or include the name of any Subscriber in any filing with the SEC or any regulatory agency, without the prior written consent of such Subscriber, except to the extent such disclosure is required by law or in connection with the Transaction Documents, in which case the Company shall provide the Subscribers with prior notice of such disclosure.

(d) Integration. The Company shall not, and shall use its best efforts to ensure that no affiliate of the Company shall, after the date hereof, sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security that would be integrated with the offer or sale of the Units in a manner that would require the registration under the Securities Act of the sale of the Units to the Subscribers.

(e) Reservation of Securities. The Company shall maintain a reserve from its duly authorized shares of Common Stock for issuance pursuant to the Transaction Documents in such amount as may be required to fulfill its obligations in full under the Transaction Documents. In the event that at any time the then authorized shares of Common Stock are insufficient for the Company to satisfy its obligations in full under the Transaction Documents, the Company shall promptly take such actions as may be required to increase the number of authorized shares, including without limitation promptly preparing and filing any proxy or information statement with the SEC for purposes of a special meeting to authorize the issuance of additions shares to Subscribers, which in no event shall be filed more than ten (10) Business Days following the date on which the Company becomes aware that it may have inadequate authorized capital.

(f) Right of Participation. Until twelve (12) months following the Closing Date, GRQ Consultants, Inc. 401K FBO Barry Honig (the “Lead Investor”) shall be given not less than ten (10) days prior written notice of any proposed sale by the Company of its Common Stock or other securities or equity linked debt obligations (“Other Offering”). If the Lead Investor elects to exercise its rights pursuant to this Section 5(f), the Lead Investor shall have the right during the ten (10) days following receipt of the notice, to purchase in the aggregate up to fifty percent (50%) of all of such offered Common Stock, debt or other securities in accordance with the terms and conditions set forth in the notice of sale, relative to each other in proportion to the amount of Units issued to them as of the Closing Date. In the event such terms and conditions are modified during the notice period, the Lead Investor shall be given prompt notice of such modification and shall have the right during the five (5) days following the notice of modification to exercise such right. Notwithstanding the foregoing, the Lead Investor shall have no right of participation with respect to any offering of securities incrementally at market prices on the Principal Market, where a broker-dealer, acting as the Company’s agent, can continuously change the amount and manner of sales depending on market conditions and instructions from the Company (an “ATM Offering”).

(g) Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company covenants and agrees that neither it, nor any other Person acting on its behalf will provide any Subscriber or its agents or counsel with any information that the Company believes constitutes material non-public information, and each Subscriber agrees, and shall direct its agents and counsel not to, request any material non-public information from the Company or any Person acting on its behalf, unless prior thereto such Purchaser shall have executed a written agreement with the Company regarding the confidentiality and use of such information. The Company understands and confirms that each Subscriber shall be relying on the foregoing covenant in effecting transactions in securities of the Company.

(h) Limitations on Issuances and Financings. Until the five (5) month anniversary of the Final Closing Date, without the prior written consent of the Lead Investor and other than in connection with (i) the issuance of shares of Common Stock or options to purchase Common Stock issued to directors, officers, employees or consultants of the Company pursuant to any Approved Stock Plan; (ii) the issuance of shares of Common Stock issued upon the conversion or exercise of Convertible Securities or contractual agreements (other than options to purchase Common Stock or other equity incentive awards issued pursuant to an Approved Stock Plan that are covered by clause (i) above) issued prior to the date hereof, provided that the conversion price of any such Convertible Securities (other than options to purchase Common Stock issued pursuant to an Approved Stock Plan that are covered by clause (i) above) is not lowered by subsequent amendment, none of such Convertible Securities (other than standard options to purchase Common Stock issued pursuant to an Approved Stock Plan that are covered by clause (i) above) are subsequently amended to increase the number of shares issuable thereunder and none of the terms or conditions of any such Convertible Securities (other than options to purchase Common Stock issued pursuant to an Approved Stock Plan that are covered by clause (i) above) are otherwise materially changed in any manner that adversely affects any of the Subscribers; (iii) the shares of Common Stock issuable upon exercise of the Warrants; and (iv) the Company's issuance of securities in connection with strategic license agreements and other partnering arrangements so long as such issuances are not primarily for the purpose of raising capital, the Company shall not issue any Common Stock or securities convertible into or exercisable for shares of Common Stock (or modify any of the foregoing which may be outstanding) to any person or entity. For purposes of this Section 5(h), "Approved Stock Plan" shall mean any employee benefit plan which has been approved by the board of directors of the Company on or prior to the date hereof pursuant to which shares of Common Stock and standard options to purchase Common Stock may be issued to any employee, officer or director for services provided to the Company in their capacity as such (including, without limitation, any adjustments to the number of shares reserved for issuance thereunder as a result of the operation of any evergreen provisions), "Convertible Securities" shall mean any stock or other security (other than Options) that is at any time and under any circumstances, directly or indirectly, convertible into, exercisable or exchangeable for, or which otherwise entitles the holder thereof to acquire, any shares of Common Stock, and "Options" shall mean any rights, warrants or options to subscribe for or purchase shares of Common Stock or Convertible Securities. In addition to the foregoing, the Company shall not issue any shares of Common Stock pursuant to an ATM Offering at a price per share lower than \$0.75 until the earlier of (i) the six (6) month anniversary of the Final Closing Date or (ii) such date as the closing price of the Common Stock on the NYSE MKT is at least \$0.75 for five (5) consecutive Trading Days and a Registration Statement (as defined in Section 7(a)) registering all of the Shares and Warrant Shares has been declared effective.

(i) Shareholder Approval. If it is required in order to permit the full exercise of the Warrants issued pursuant to this Agreement into shares of Common Stock in accordance with applicable listing rules of the NYSE MKT (the "Shareholder Approval"), the Company shall hold a special meeting of shareholders (which may also be at the annual meeting of shareholders) as soon as reasonably practicable, for the purpose of obtaining Shareholder Approval, with the recommendation of the Company's Board of Directors that such proposal be approved, and the Company shall solicit proxies from its shareholders in connection therewith in the same manner as all other management proposals in such proxy statement and all management-appointed proxyholders shall vote their proxies in favor of such proposal. If the Company does not obtain Shareholder Approval at the first special meeting, the Company shall call a meeting every three months thereafter to seek Shareholder Approval until the earlier of the date Shareholder Approval is obtained or the Warrants are no longer outstanding. In connection with the Shareholder Approval, the Company shall enter into a voting agreement in the form attached hereto as Exhibit C.

(j) Use of Proceeds. The Company anticipates using the gross proceeds from the Offering for general corporate purposes.

(k) DTC Program. From the Closing Date until such time as no Subscriber holds any of the Securities, the Company shall use its best efforts to employ as the transfer agent for the Shares, and Warrant Shares a participant in the Depository Trust Company Automated Securities Transfer Program (FAST) and cause the Common Stock to be transferable pursuant to such program.

(k) Closing Documents. On or prior to fourteen (14) calendar days after each Closing Date, the Company agrees to deliver, or cause to be delivered, to each Subscriber executed copies of the Transaction Documents, Securities and other document required to be delivered to any party pursuant to this Agreement.

6. CONDITIONS TO ACCEPTANCE OF SUBSCRIPTION

(a) The Closing of the sale of the Units is conditioned upon satisfaction of the following conditions precedent on or before the Closing Date:

(i) As of the Closing, no legal action, suit or proceeding shall be pending against the Company that seeks to restrain or prohibit the transactions contemplated by this Agreement.

(ii) The representations and warranties of the Company and the Subscribers contained in this Agreement shall have been true and correct in all material respects on the date of this Agreement (except whether such representations are qualified by material or material adverse effect, which shall be true and correct in all respects) and shall be true and correct as of the Closing as if made on the Closing Date and the Company shall have performed, satisfied and complied in all respects with the covenants, agreements and conditions required to be performed, satisfied or complied with by the Company in connection with the consummation of the transactions contemplated by the Transaction Documents at or prior to the Closing Date and the Company shall deliver a certificate, executed by its Chief Executive Officer, dated as of the Closing Date, certifying that the foregoing is true.

(iii) The Company shall deliver to the Subscribers, a certificate from the Company, signed by its Secretary or Assistant Secretary, including incumbency specimen signatures of any signatory of any Transaction Document of the Company and certifying that the attached copies of the Company's Certificate of Incorporation, as amended and Bylaws, as amended, and resolutions of the Board of Directors of the Company approving this the Offering, are all true, complete and correct and remain in full force and effect.

(iv) The Company shall have submitted to NYSE MKT, a "Listing of Additional Shares" application (the "LAS") for the listing of the Shares and the Warrant Shares thereon and NYSE MKT shall have completed its review of the LAS without comment.

7. REGISTRATION RIGHTS.

(a) Required Registration. Subject to Shareholder Approval and the provisions hereof, on or before thirty (30) days following the Final Closing Date (the "Required Registration Date"), the Company shall file a registration statement on Form S-1 or Form S-3, if available, registering for resale all Registrable Securities (such Registration Statement, a "Required Registration Statement") and use its best efforts to cause such Required Registration Statement to be declared effective by the SEC sixty (60) days after filing. "Registrable Securities" means the Shares and Warrant Shares. Registrable Securities shall continue to be Registrable Securities (whether they continue to be held by the Subscribers or they are sold to other Persons) until (i) they are sold pursuant to an effective registration statement under the Securities Act; (ii) they may be sold by their holder pursuant to Rule 144 without limitation thereunder on volume or manner of sale; or (iii) they shall have otherwise been transferred and new securities not subject to transfer restrictions under any federal securities laws and not bearing any legend restricting further transfer shall have been delivered by the Company, all applicable holding periods shall have expired, and no other applicable and legally binding restriction on transfer by the Subscriber thereof shall exist under the Securities Act.

(i) Upon the date of effectiveness of the Required Registration Statement, the Company shall cause the Required Registration Statement to remain effective until such time as all of the Registrable Securities covered by such Required Registration Statement have been sold pursuant to such Required Registration Statement.

(b) Piggyback Registration Rights. (i) If at any time the Company has registered or has determined to register any of its securities for its own account or for the account of other security holders of the Company on any registration form (other than Form S-4 or S-8) which permits the inclusion of the Registrable Securities (a "Piggyback Registration"), the Company will give the Subscribers written notice thereof promptly (but in no event less than fifteen (15) days prior to the anticipated filing date) and, subject to Section 7(b)(iv), shall include in such registration all Registrable Securities requested to be included therein pursuant to the written request of one or more Subscriber received within 10 days after delivery of the Company's notice. If a Piggyback Registration is initiated as a primary underwritten offering on behalf of the Company, and the managing underwriters advise the Company and the Subscribers that in their reasonable opinion the number of shares of Common Stock and other Registrable Securities proposed to be included in such registration exceeds the Maximum Number of Shares, the Company shall include in such registration: (i) first, the number of shares of Common Stock that the Company proposes to sell; and (ii) second, the number of shares of Common Stock and other Registrable Securities requested to be included therein by holders of Common Stock and other Registrable Securities, including Subscribers who have provided notice in accordance with this Section 7(b)(i) pro rata among all such holders on the basis of the number of shares of Common Stock and other Registrable Securities requested to be included therein by all such holders or as such holders and the Company may otherwise agree. "Maximum Number of Shares" means the number of Registrable Securities proposed to be included in a Registration Statement that can be sold in an underwritten offering without materially delaying or jeopardizing the success of the subject offering (including the offering price per share).

(ii) If a Piggyback Registration is initiated as an underwritten registration on behalf of a holder of shares of Common Stock other than the Subscribers, and the managing underwriters advise the Company that in their reasonable opinion the number of shares of Common Stock and other Registrable Securities proposed to be included in such registration exceeds the Maximum Number of Shares, then the Company shall include in such registration: (i) first, the number of shares of Common Stock requested to be included therein by the holder(s) requesting such registration; (ii) second, the number of shares of Common Stock and other Registrable Securities requested to be included therein by other holders of shares of Common Stock and other Registrable Securities, including the Subscribers (if the Subscribers have elected to include Registrable Securities in such Piggyback Registration), pro rata among such holders on the basis of the number of shares of Common Stock and other Registrable Securities requested to be included therein by such holders or as such holders and the Company may otherwise agree; and (iii) third, the number of shares of Common Stock that the Company proposes to sell.

(iii) If any Piggyback Registration is a primary or secondary underwritten offering, the Company shall have the right to select, in its sole discretion, the managing underwriter or underwriters to administer any such offering.

(c) Expenses of Registration and Selling. All Expenses incurred in connection with any registration, qualification or compliance hereunder shall be borne by the Company. All Expenses (including, for the avoidance of doubt, any underwriting discount or commission applicable to the sale by a Subscriber) incurred in connection with the sale of any securities registered hereunder shall also be borne by the Company.

(d) Obligations of the Company. Whenever required to effect the registration of any Registrable Securities, the Company shall, as expeditiously as reasonably practicable, subject to the other provisions of this Section 7:

(i) Prepare and file with the SEC a Registration Statement with respect to a proposed offering of Registrable Securities and use commercially reasonable efforts to have such Registration Statement declared effective as promptly as practicable.

(ii) Prepare and file with the SEC such amendments and supplements to the applicable Registration Statement and the Prospectus or prospectus supplement used in connection with such Registration Statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all Registrable Securities covered by such Registration Statement.

(iii) Furnish to the selling Subscriber or Subscribers and any underwriters such number of copies of the applicable Registration Statement and each such amendment and supplement thereto (including in each case all exhibits) and of a Prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned or to be distributed by them.

(iv) Notify the selling Subscriber or Subscribers at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the applicable prospectus, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which such statements were made, not misleading.

(v) Give written notice to the selling Subscriber or Subscribers:

(1) when any Registration Statement filed pursuant to Section 7(a) or 7(b) or any amendment thereto has been filed with the SEC and when such Registration Statement or any post-effective amendment thereto has become effective;

(2) of any request by the SEC for amendments or supplements to any Registration Statement or the prospectus included therein or for additional information;

(3) of the issuance by the SEC of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for that purpose;

(4) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(5) of the happening of any event that requires the Company to make changes in any effective Registration Statement or prospectus in order to make the statements therein not misleading (in the case of the prospectus, in the light of the circumstances under which such statements were made) (which notice shall be accompanied by an instruction to suspend the use of the Prospectus until the requisite changes have been made).

(vi) Use commercially reasonable efforts to prevent the issuance or obtain the withdrawal of any order suspending the effectiveness of any Registration Statement referred to in Section 7(d)(v)(3) at the earliest practicable time.

(vii) Upon the occurrence of any event contemplated by Section 7(d)(v)(5), promptly prepare a post-effective amendment to such Registration Statement or a supplement to the related Prospectus or file any other required document so that, as thereafter delivered to the selling Subscriber or Subscribers and any underwriters, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If the Company notifies the selling Subscriber or Subscribers in accordance with Section 7(d)(v)(5) to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the selling Subscriber or Subscribers and any underwriters shall suspend use of such prospectus and use commercially reasonable efforts to return to the Company all copies of such prospectus (at the Company's expense) other than permanently filed copies then in the possession of the selling Subscriber or Subscribers or the underwriter.

(e) Suspension of Sales. Upon receipt of written notice from the Company that a Registration Statement, prospectus or prospectus supplement contains or may contain an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or that circumstances exist that make the use of such Registration Statement, prospectus or prospectus supplement inadvisable, the selling Subscriber or Subscribers shall forthwith discontinue disposition of Registrable Securities until the selling Subscriber or Subscribers have received copies of a supplemented or amended Prospectus or prospectus supplement, or until the selling Subscriber or Subscribers are advised in writing by the Company that the use of the Prospectus and, if applicable, prospectus supplement may be resumed. If so directed by the Company, the selling Subscriber or Subscribers shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in the selling Subscriber's or Subscribers' possession, of the prospectus and, if applicable, prospectus supplement covering such Registrable Securities current at the time of receipt of such suspension notice. The total number of days that any such suspension may be in effect in any 180-day period shall not exceed 60 days.

(f) Furnishing Information. It shall be a condition precedent to the obligations of the Company to take any action pursuant to Section 7 (d) that the selling Subscriber or Subscribers and the underwriter(s), if any, shall furnish to the Company such information regarding themselves, the Registrable Securities held by them and the intended method of disposition of such securities as shall be required to effect the registered offering of their Registrable Securities.

(g) Indemnification. (i) In connection with each registration pursuant to Section 7, the Company agrees to indemnify and hold harmless each selling Subscriber, and each Person, if any, who controls any selling Subscriber within the meaning of Section 15 of the Securities Act, as follows:

(1) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arising out of an untrue statement of a material fact included in any preliminary prospectus or the Prospectus (or any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and

(2) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Company, which consent shall not be unreasonably withheld;

provided, however, that, with respect to any selling Subscriber, this indemnity shall not apply to any loss, liability, claim, damage or expense to the extent arising out of an untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by such selling Subscriber expressly for use in the Registration Statement (or any amendment thereto), or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto).

(ii) Each selling Subscriber agrees severally, and not jointly, to indemnify and hold harmless the Company, its directors, each of its officers who signed a Registration Statement, and the other selling Subscribers, and each Person, if any, who controls the Company and any other selling Subscriber within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 7(g)(i), as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Company by such selling Subscriber expressly for use in the Registration Statement (or any amendment thereto), or any preliminary prospectus or the Prospectus (or any amendment or supplement thereto); provided that no such selling Subscriber shall be liable under this Section 7(g) for any amounts exceeding the product of the sales price per Registrable Security and the number of Registrable Securities being sold pursuant to such Registration Statement or prospectus by such selling Subscriber.

(iii) Each indemnified party shall give prompt notice to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve the indemnifying party from any liability it may have under this Agreement, except to the extent that the indemnifying party is prejudiced thereby. If it so elects, after receipt of such notice, an indemnifying party, jointly with any other indemnifying parties receiving such notice, may assume the defense of such action with counsel chosen by it; provided, however, that the indemnified party shall be entitled to participate in (but not control) the defense of such action with counsel chosen by it, the reasonable fees and expenses of which shall be paid by such indemnified party, unless a conflict would arise if one counsel were to represent both the indemnified party and the indemnifying party, in which case the reasonable fees and expenses of counsel to the indemnified party shall be paid by the indemnifying party or parties. In no event shall the indemnifying party or parties be liable for a settlement of an action with respect to which they have assumed the defense if such settlement is effected without the written consent of such indemnifying party, or for the reasonable fees and expenses of more than one counsel for (i) the Company, its officers, directors and controlling persons as a group, and (ii) the selling Subscribers and their controlling persons as a group, in each case, in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances; provided, however, that if, in the reasonable judgment of an indemnified party, a conflict of interest may exist between such indemnified party and the Company or any other of such indemnified parties with respect to such claim, the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel.

(h) Contribution. (i) If the indemnification provided for in or pursuant to Section 7(g) is due in accordance with the terms hereof, but held by a court of competent jurisdiction to be unavailable or unenforceable in respect of any losses, claims, damages, liabilities or expenses referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages, liabilities or expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other in connection with the statements or omissions which result in such losses, claims, damages, liabilities or expenses as well as any other relevant equitable considerations. The relative fault of the indemnifying party on the one hand and of the indemnified party on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party, and by such party's relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. In no event shall the liability of the selling Subscribers be greater in amount than the amount for which such indemnifying party would have been obligated to pay by way of indemnification if the indemnification provided for under Section 7(g)(i) had been available under the circumstances.

(ii) No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7(h)(ii), each director of the Company, each officer of the Company who signed a Registration Statement, and each Person, if any, who controls the Company or a selling Subscriber within the meaning of Section 15 of the Securities Act shall have the same rights to contribution as the Company or such selling Subscriber, as the case may be.

(i) Representations, Warranties and Indemnities to Survive. The indemnity and contribution agreements contained in this Section 7 shall remain operative and in full force and effect regardless of (i) any termination of any underwriting or agency agreement; (ii) any investigation made by or on behalf of the selling Subscriber or Subscribers, the Company or any underwriter or agent or controlling Person; or (iii) the consummation of the sale or successive resales of the Registered Securities.

8. MISCELLANEOUS PROVISIONS

(a) Each party hereto acknowledges that (i) Sichenzia Ross Friedman Ference LLP ("SRFF") has served as counsel to the Company in connection with this Agreement and the matters described herein and (ii) SRFF has represented the Lead Investor and certain Subscribers in the past and may continue to do so in the future. Each party has been advised by the foregoing counsel that in connection with this Agreement and the matters described herein, it should retain counsel of its choice inasmuch as important rights may be involved or affected relative to the matters herein. Each party has been represented by its own separate legal counsel in connection with this Agreement. No presumption against any party to this Agreement shall be asserted as a result of the drafting of or in connection with the drafting and negotiation of this Agreement and ancillary agreements.

(b) Each of the parties hereto shall be responsible to pay the costs and expenses of its own legal counsel in connection with the preparation and review of this Agreement and related documentation.

(c) Neither this Agreement, nor any provisions hereof, shall be waived, modified, discharged or terminated except by an instrument in writing signed by the party against whom any waiver, modification, discharge or termination is sought.

(d) The representations, warranties and agreement of each Subscriber and the Company made in this Agreement shall survive the execution and delivery of this Agreement and the delivery of the Securities.

(e) Any party may send any notice, request, demand, claim or other communication hereunder to the Subscriber at the address set forth on the signature page of this Agreement or to the Company at its primary office (including personal delivery, expedited courier, messenger service, fax, ordinary mail or electronic mail), but no such notice, request, demand, claim or other communication will be deemed to have been duly given unless and until it actually is received by the intended recipient. Any party may change the address to which notices, requests, demands, claims and other communications hereunder are to be delivered by giving the other parties written notice in the manner herein set forth.

(f) Except as otherwise provided herein, this Agreement shall be binding upon, and inure to the benefit of, the parties to this Agreement and their heirs, executors, administrators, successors, legal representatives and assigns. If any Subscriber is more than one person or entity, the obligation of any Subscriber shall be joint and several and the agreements, representations, warranties and acknowledgments contained herein shall be deemed to be made by, and be binding upon, each such person or entity and its heirs, executors, administrators, successors, legal representatives and assigns. This Agreement sets forth the entire agreement and understanding between the parties as to the subject matter hereof and merges and supersedes all prior discussions, agreements and understandings of any and every nature among them.

(g) This Agreement is not transferable or assignable by the Company.

(h) The Company hereby represents and warrants as of the date hereof and as of any Closing Date that none of the terms offered to any Person with respect to any offer, sale or subscription of Securities (each a "Subscription Document"), is or will be more favorable to such Person than those of the Subscriber and this Agreement shall be, without any further action by the Subscriber or the Company, deemed amended and modified in an economically and legally equivalent manner such that the Subscriber shall receive the benefit of the more favorable terms contained in such Subscription Document. Notwithstanding the foregoing, the Company agrees, at its expense, to take such other actions (such as entering into amendments to the Transaction Documents) as the Subscriber may reasonably request to further effectuate the foregoing.

(i) The obligations of each Subscriber under any Transaction Document are several and not joint with the obligations of any other Subscriber, and no Subscriber shall be responsible in any way for the performance or non-performance of the obligations of any other Subscriber under any Transaction Document. Nothing contained herein or in any other Transaction Document, and no action taken by any Subscriber pursuant hereto or thereto, shall be deemed to constitute the Subscribers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Subscribers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Subscriber shall be entitled to independently protect and enforce its rights, including, without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Subscriber to be joined as an additional party in any proceeding for such purpose. Each Subscriber has been represented by its own separate legal counsel in its review and negotiation of the Transaction Documents. The Company has elected to provide all Subscribers with the same terms and Transaction Documents for the convenience of the Company and not because it was required or requested to do so by any of the Subscribers. It is expressly understood and agreed that each provision contained in this Agreement and in each other Transaction Document is between the Company and a Subscriber, solely, and not between the Company and the Subscribers collectively and not between and among the Subscribers. The Company acknowledges that any actions of Subscribers now, and in the future, in which (A) any review or approval is sought by the Company, including, without limitation, review, approval or acceptance of any reportable event required to be reported in any SEC filing or report by the Company; or (B) any amendment, waiver, right of first refusal, participation right, acquisition or financing, including any acquisition or financing is proposed, introduced, offered or arranged by any one or more Subscribers or their affiliates or sought by the Company, shall not be claimed by the Company or any person seeking to assert such a claim on behalf of the Company, to constitute the forming of any "Group" as such term is defined under Section 13(d) or Section 16 of the Exchange Act, nor shall any activity permit the Company or any third party holder of securities of the Company to assert any claim that any beneficial ownership limitations or conversion limitations of the Warrants have been exceeded and such Subscriber, alone or in conjunction with others, constitutes a "Group" for purposes of the Exchange Act as a result thereof.

(j) Except as otherwise provided herein, this Agreement shall not be changed, modified or amended and no right hereunder shall be waived, except in writing signed by both (a) the Company and (b) Subscribers holding at least 60% of the Units sold in the Offering outstanding on the date of determination (including the Lead Investor). The Company shall be prohibited from offering any additional consideration to any Subscriber in this Offering (or such original Subscriber's transferee) for the purposes of inducing such person to change, modify, waive or amend any term of this Agreement or any other Transaction Document without making the same offer on a pro-rata basis to all other Subscribers (and those transferees) in this Offering allocable to the securities acquired by such transferee(s).

(k) This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to conflicts of law principles.

FORM OF COMMON STOCK PURCHASE WARRANT

MGT CAPITAL INVESTMENTS, INC.

Warrant Shares: [_____]

Initial Issuance Date: [____], 2015

Warrant No: [_____]

THIS COMMON STOCK PURCHASE WARRANT (the "Warrant") certifies that, for value received, [_____] or its assigns (the "Holder") is entitled, upon the terms and subject to the limitations on exercise and the conditions hereinafter set forth, at any time on or after the Initial Exercise Date (as defined herein) and on or prior to the close of business on the thirty six (36) month anniversary of the Initial Issuance Date (the "Termination Date") but not thereafter, to subscribe for and purchase from **MGT CAPITAL INVESTMENTS, INC.**, a Delaware corporation (the "Company"), up to [_____] shares (as subject to adjustment hereunder, the "Warrant Shares") of Common Stock. The purchase price of one share of Common Stock under this Warrant shall be equal to the Exercise Price, as defined in Section 2(b). The "Initial Exercise Date" shall be the earlier of (i) the twelve month anniversary of the Initial Issuance Date or (ii) a private or public financing, subject to approval of the Lead Investor, in which the Company receives gross proceeds of at least \$7,500,000 in one or more transactions; a spinoff; one or more acquisitions or sales by the Company of any business, assets, stock, licenses, interests or properties (including, without limitation, intellectual property rights) approved by the stockholders of the Company; or a merger, consolidation, recapitalization, or reorganization approved by the stockholders of the Company (individually, each a "Qualifying Transaction"). Each Unit is comprised of one Share and a Warrant to purchase two Warrant Shares.

Section 1. Definitions. Capitalized terms used and not otherwise defined herein shall have the meanings set forth in that certain Subscription Agreement (the "Subscription Agreement"), dated [____] 2015, among the Company and the Holder.

Section 2. Exercise.

a) Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed facsimile copy of the Notice of Exercise Form annexed hereto. Within two (2) Trading Days following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the shares specified in the applicable Notice of Exercise by wire transfer or cashier's check drawn on a United States bank unless the cashless exercise procedure specified in Section 2 (c) below is specified in the applicable Notice of Exercise. Notwithstanding anything herein to the contrary (although the Holder may surrender the Warrant to, and receive a replacement Warrant from, the Company), the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. The Company shall deliver any objection to any Notice of Exercise Form within one (1) Trading Day of delivery of such notice. **The Holder and any assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The initial exercise price per share of the Common Stock under this Warrant shall be **\$0.25**, (the "Initial Exercise Price") subject to adjustment hereunder (as adjusted, the "Exercise Price"), payable, subject to Section 2(c) below, in immediately available funds.

c) Cashless Exercise. Following the four (4) month anniversary of the Initial Issuance Date, provided the Company has consummated a Qualifying Transaction and there is no effective registration statement registering, or no current prospectus available for the resale of the Warrant Shares by the Holder, then this Warrant may also be exercised at the Holder's election, in whole or in part, at such time by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = the Closing Sale Price on the Trading Day immediately preceding the date on which Holder elects to exercise this Warrant by means of a "cashless exercise," as set forth in the applicable Notice of Exercise;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

For the avoidance of doubt, Rule 144 shall not be available until at least the six (6) month anniversary of the Initial Issuance Date. Notwithstanding anything herein to the contrary, on the Termination Date, unless the Holder notifies the Company otherwise, if there is no effective Registration Statement registering, or no current prospectus available for, the resale of the Warrant Shares by the Holder and the Exercise Price is greater than the Closing Sale Price on the Trading Day immediately preceding the date on which the Warrant would otherwise expire, then this Warrant shall be automatically exercised via cashless exercise pursuant to this Section 2(c).

d) Mechanics of Exercise.

(a) Delivery of Certificates Upon Exercise. Certificates for shares purchased hereunder shall be transmitted by the Company's transfer agent for its Common Stock (the "Transfer Agent") to the Holder by crediting the account of the Holder's prime broker with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by the Holder or (B) this Warrant is being exercised via cashless exercise and Rule 144 is available, and otherwise by physical delivery to the address specified by the Holder in the Notice of Exercise by the date that is three (3) Trading Days after the latest of (A) the delivery to the Company of the Notice of Exercise, (B) surrender of this Warrant (if required) and (C) payment of the aggregate Exercise Price as set forth above (including by cashless exercise, if permitted) (such date, the "Warrant Share Delivery Date"). The Warrant Shares shall be deemed to have been issued, and Holder or any other person so designated to be named therein shall be deemed to have become a holder of record of such shares for all purposes, as of the date the Warrant has been exercised, with payment to the Company of the Exercise Price (or by cashless exercise, if permitted) and all taxes required to be paid by the Holder, if any, pursuant to Section 2(d)(vi) prior to the issuance of such shares, having been paid. The Company understands that a delay in the delivery of the Warrant Shares after the Warrant Share Delivery Date could result in economic loss to the Holder. As compensation to the Holder for such loss, the Company agrees to pay (as liquidated damages and not as a penalty) to the Holder for late issuance of Warrant Shares upon exercise of this Warrant the proportionate amount of \$10 per Trading Day after the Warrant Share Delivery Date for each \$1,000 of Exercise Price of Warrant Shares for which this Warrant is exercised which are not timely delivered. The Company shall pay any payments incurred under this Section in immediately available funds upon demand. Furthermore, in addition to any other remedies which may be available to the Holder, in the event that the Company fails for any reason to effect delivery of the Warrant Shares by the Warrant Share Delivery Date, the Holder may revoke all or part of the relevant Warrant exercise by delivery of a notice to such effect to the Company, whereupon the Company and the Holder shall each be restored to their respective positions immediately prior to the exercise of the relevant portion of this Warrant, except that the liquidated damages described above shall be payable through the date notice of revocation or rescission is given to the Company.

i. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the certificate or certificates representing Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

ii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder a certificate or the certificates representing the Warrant Shares pursuant to Section 2(d)(i) by the Warrant Share Delivery Date, then the Holder will have the right, at any time prior to issuance of such Warrant Shares, to rescind such exercise.

iii. Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder a certificate or the certificates representing the Warrant Shares pursuant to an exercise on or before the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

iv. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

v. Charges, Taxes and Expenses. Issuance of certificates for Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such certificate, all of which taxes and expenses shall be paid by the Company, and such certificates shall be issued in the name of the Holder or in such name or names as may be directed by the Holder; provided, however, that in the event certificates for Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for same-day processing of any Notice of Exercise.

vi. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. (i) The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates) and of which portion of this Warrant is exercisable shall be in the sole discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the SEC, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Warrant, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder may decrease the Beneficial Ownership Limitation at any time and the Holder, upon not less than 61 days' prior notice to the Company, may increase the Beneficial Ownership Limitation provisions of this Section 2(e), provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any such increase will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

f) Issuance Restrictions. If the Company has not obtained the approval of its shareholders in accordance with the rules of the NYSE MKT, then the Company may not issue upon exercise of this Warrant a number of Warrant Shares, which, when aggregated with any shares of Common Stock (i) issued pursuant to the Subscription Agreement, and (ii) issuable upon prior exercise of this or any other Warrant issued pursuant to the Subscription Agreement, would exceed Two Million Eight Hundred and Forty Thousand (2,840,000) shares of Common Stock, in the aggregate, subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of the Subscription Agreement (such number of shares, the "Issuable Maximum"). The Holder and the holders of the other Warrants issued pursuant to the Subscription Agreement shall be entitled to a portion of the Issuable Maximum equal to the quotient obtained by dividing (x) the Holder's original Aggregate Purchase Price by (y) the aggregate original Aggregate Purchase Price of all Purchasers pursuant to the Subscription Agreement. In addition, the Holder may allocate its pro-rata portion of the Issuable Maximum among Warrants held by it in its sole discretion. Such portion shall be adjusted upward ratably in the event a Holder no longer holds any Warrants and the amount of shares issued to such Holder pursuant to its Warrants was less than such Holder's pro-rata share of the Issuable Maximum. For avoidance of doubt, unless and until any required approval of the Company's shareholders of the issuance of in excess of Two Million Eight Hundred and Forty Thousand (2,840,000) shares of Common Stock pursuant to the Subscription Agreement ("Shareholder Approval") is obtained and effective, warrants issued to any registered broker-dealer as a fee in connection with the Securities issued pursuant to the Subscription Agreement as described in clause (iii) above shall provide that such warrants shall not be allocated any portion of the Issuable Maximum and shall be unexercisable unless and until such Shareholder Approval is obtained and effective. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant or pursuant to any of the other Transaction Documents), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse stock split) outstanding shares of Common Stock into a smaller number of shares, or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) Subsequent Rights Offerings. In addition to any adjustments pursuant to Section 3(a) above, if at any time after the Initial Exercise Date the Company grants, issues or sells any Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to all of the record holders of any class of shares of Common Stock (the "Purchase Rights"), then the Holder will be entitled to acquire, upon the terms applicable to such Purchase Rights, the aggregate Purchase Rights which the Holder could have acquired if the Holder had held the number of shares of Common Stock acquirable upon complete exercise of this Warrant (without regard to any limitations on exercise hereof, including without limitation, the Beneficial Ownership Limitation) immediately before the date on which a record is taken for the grant, issuance or sale of such Purchase Rights, or, if no such record is taken, the date as of which the record holders of shares of Common Stock are to be determined for the grant, issue or sale of such Purchase Rights (provided, however, to the extent that the Holder's right to participate in any such Purchase Right would result in the Holder exceeding the Beneficial Ownership Limitation, then the Holder shall not be entitled to participate in such Purchase Right to such extent (or beneficial ownership of such shares of Common Stock as a result of such Purchase Right to such extent) and such Purchase Right to such extent shall be held in abeyance for the Holder until such time, if ever, as its right thereto would not result in the Holder exceeding the Beneficial Ownership Limitation).

c) Pro Rata Distributions. If the Company, at any time while this Warrant is outstanding, shall distribute to all holders of Common Stock (and not to the Holder) evidences of its indebtedness or assets (including cash and cash dividends) or rights or warrants to subscribe for or purchase any security other than the Common Stock (which shall be subject to Section 3(c)), then in each such case the Exercise Price shall be adjusted by multiplying the Exercise Price in effect immediately prior to the record date fixed for determination of stockholders entitled to receive such distribution by a fraction of which the denominator shall be the VWAP determined as of the record date mentioned above, and of which the numerator shall be such VWAP on such record date less the then per share fair market value at such record date of the portion of such assets or evidence of indebtedness so distributed applicable to one outstanding share of the Common Stock as determined by the Board of Directors in good faith. In either case the adjustments shall be described in a statement provided to the Holder of the portion of assets or evidences of indebtedness so distributed or such subscription rights applicable to one share of Common Stock. Such adjustment shall be made whenever any such distribution is made and shall become effective immediately after the record date mentioned above. Notwithstanding the foregoing and for the avoidance of doubt, a spinoff shall not trigger an adjustment to the Exercise Price pursuant to this Section 3(c).

d) Fundamental Transaction. If, at any time while this Warrant is outstanding, the Company enters into a Fundamental Transaction then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant) the number of shares of Common Stock of the successor or acquiring corporation or of the Company, if it is the surviving corporation, and any additional consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction. The Company shall cause any successor entity in a Fundamental Transaction in which the Company is not the survivor (the “Successor Entity”) to assume in writing all of the obligations of the Company under this Warrant and the other Transaction Documents in accordance with the provisions of this Section 3(e) pursuant to written agreements in form and substance reasonably satisfactory to the Holder and approved by the Holder (without unreasonable delay) prior to such Fundamental Transaction and shall, at the option of the Holder, deliver to the Holder in exchange for this Warrant a security of the Successor Entity evidenced by a written instrument substantially similar in form and substance to this Warrant which is exercisable for a corresponding number of shares of capital stock of such Successor Entity (or its parent entity) equivalent to the shares of Common Stock acquirable and receivable upon exercise of this Warrant (without regard to any limitations on the exercise of this Warrant) prior to such Fundamental Transaction, and with an exercise price which applies the exercise price hereunder to such shares of capital stock (but taking into account the relative value of the shares of Common Stock pursuant to such Fundamental Transaction and the value of such shares of capital stock, such number of shares of capital stock and such exercise price being for the purpose of protecting the economic value of this Warrant immediately prior to the consummation of such Fundamental Transaction), and which is reasonably satisfactory in form and substance to the Holder. Upon the occurrence of any such Fundamental Transaction, the Successor Entity shall succeed to, and be substituted for (so that from and after the date of such Fundamental Transaction, the provisions of this Warrant and the other Transaction Documents referring to the “Company” shall refer instead to the Successor Entity), and may exercise every right and power of the Company and shall assume all of the obligations of the Company under this Warrant and the other Transaction Documents with the same effect as if such Successor Entity had been named as the Company herein. Notwithstanding the foregoing, the Warrant holder will not be entitled to redeem these warrants for cash in any fundamental transaction that is not approved by the Company’s board of directors or that occurs in a transaction or as a result of an event that was not within the Company’s sole control.

e) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest whole share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

f) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly mail to the Holder a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company is a party, any sale or transfer of all or substantially all of the assets of the Company, or any compulsory share exchange whereby the Common Stock is converted into other securities, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, to the extent that such information constitutes material non-public information (as determined in good faith by the Company) the Company shall deliver to the Holder at its last address as it shall appear upon the Warrant Register of the Company, at least 20 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to mail such notice or any defect therein or in the mailing thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission SEC pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws and the provisions of the Subscription Agreement, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the initial issuance date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company or its transfer agent for that purpose (the "Warrant Register"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

Section 6. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i).

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any stock certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or stock certificate, if mutilated, the Company will make and deliver a new Warrant or stock certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or stock certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Trading Day, then, such action may be taken or such right may be exercised on the next succeeding Trading Day.

d) Authorized Shares.

(i) The Company covenants that, during the period the Warrant is outstanding, it will maintain a reserve from its authorized and unissued Common Stock 100% of the maximum number of shares for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of executing stock certificates to execute and issue the necessary certificates for the Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will take all such reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Principal Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and non-assessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

(ii) Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

(iii) Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be determined in accordance with the provisions of the Subscription Agreement.

f) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered, or unless exercised in a cashless exercise when Rule 144 is available, and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

g) Non-waiver and Expenses. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies. Without limiting any other provision of this Warrant or the Subscription Agreement, if the Company intentionally and knowingly fails to comply with any provision of this Warrant, which results in any material damages to the Holder, the Company shall pay to the Holder such amounts as shall be sufficient to cover any costs and expenses including, but not limited to, reasonable attorneys' fees, including those of appellate proceedings, incurred by the Holder in collecting any amounts due pursuant hereto or in otherwise enforcing any of its rights, powers or remedies hereunder.

h) Notices. Any notice, request or other document required or permitted to be given or delivered to the Holder by the Company shall be delivered in accordance with the notice provisions of the Subscription Agreement.

i) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

j) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

k) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any Holder from time to time of this Warrant and shall be enforceable by the Holder or holder of Warrant Shares.

l) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holders of not less than 60% of the then outstanding Warrants issued pursuant to the Subscription Agreement which such approval shall include the approval of the Lead Investor (as defined in the Subscription Agreement).

m) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

n) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

VOTING AGREEMENT

THIS VOTING AGREEMENT (the “**Agreement**”) is made and entered into as of this ___ day of October, 2015, by and among MGT Capital Investments, Inc., a Delaware corporation (the “**Company**”), and the person identified on the signature page to this Agreement (the “**Shareholder**”). Terms not otherwise defined herein shall have the meanings ascribed to them in the Purchase Agreement (as defined below).

WITNESSETH

WHEREAS, certain investors, who may include the Shareholder (the “**Buyers**”), are severally purchasing up to \$700,000 of units of the Company’s securities with each unit consisting of one share of common stock and a warrant to purchase two shares of common stock pursuant to a subscription agreement (the “**Purchase Agreement**”) of even date herewith (the “**Financing**”); and

WHEREAS, in connection with the consummation of the Financing, the Company and the Shareholder have agreed to provide for certain and specific obligations with respect to the future voting of its shares of the Company’s capital stock as set forth below and the Company has agreed to deliver this Agreement.

NOW, THEREFORE, in consideration of these premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. VOTING.

1.1 Subject Shares.

The Shareholder agrees to hold all shares of voting capital stock of the Company registered in its name or beneficially owned by it as of the date hereof and any and all other securities of the Company legally or beneficially acquired by the Shareholder after the date hereof other than securities purchased in the Financing (hereinafter collectively referred to as the “**Subject Shares**”) subject to, and to vote the Subject Shares in accordance with, the provisions of this Agreement. Notwithstanding the foregoing, the Shareholder may transfer any Subject Shares if the transferee agrees to be bound by the terms of this Agreement as provided for in Section 1.4 herein.

1.2 **Shareholder Approval.** On each and all actions or matters relating to obtaining shareholder approval to permit the full exercise of the Warrants in accordance with applicable listing rules of the NYSE MKT (the “**Proposal**”), the Shareholder agrees to vote all Subject Shares held by it (or the holder thereof shall consent pursuant to an action by written consent of the holders of capital stock of the Company) to approve the Proposal.

1.3 Legend.

(a) Concurrently with the execution of this Agreement, there shall be imprinted or otherwise placed, on certificates representing the Subject Shares the following restrictive legend (the “**Legend**”):

“THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS AND CONDITIONS OF A VOTING AGREEMENT WHICH PLACES CERTAIN RESTRICTIONS ON THE VOTING OF THE SHARES REPRESENTED HEREBY. ANY PERSON ACCEPTING ANY INTEREST IN SUCH SHARES SHALL BE DEEMED TO AGREE TO AND SHALL BECOME BOUND BY ALL THE PROVISIONS OF SUCH AGREEMENT. A COPY OF SUCH VOTING AGREEMENT WILL BE FURNISHED TO THE RECORD HOLDER OF THIS CERTIFICATE WITHOUT CHARGE UPON WRITTEN REQUEST TO THE COMPANY AT ITS PRINCIPAL PLACE OF BUSINESS.”

(b) The Company agrees that, during the term of this Agreement, it will not remove, and will not permit to be removed (upon registration of transfer, reissuance of otherwise), the Legend from any such certificate and will place or cause to be placed the Legend on any new certificate issued to represent Subject Shares theretofore represented by a certificate carrying the Legend. If at any time or from time to time any Investor holds any certificate representing shares of the Company’s capital stock not bearing the aforementioned legend, the Shareholder agrees to deliver such certificate to the Company promptly to have such legend placed on such certificate.

1.4 Successors. The provisions of this Agreement shall be binding upon the successors in interest to any of the Subject Shares. The Company shall not permit the transfer of any of the Subject Shares on its books or issue a new certificate representing any of the Subject Shares unless and until the person to whom such security is to be transferred shall have executed a written agreement, substantially in the form of this Agreement, pursuant to which such person becomes a party to this Agreement and agrees to be bound by all the provisions hereof as if such person were an Investor.

1.5 Other Rights. Except as provided by this Agreement or any other Transaction Document, the Shareholder shall exercise the full rights of a holder of capital stock of the Company with respect to the Subject Shares.

1.6 Irrevocable Proxy. To secure the Shareholder’s obligations to vote the Subject Shares in accordance with this Agreement, the Shareholder hereby appoints the Chairman of the Company or its designees, as the Shareholder’s true and lawful proxy and attorney, with the power to act alone and with full power of substitution, to vote all of the Shareholder’s Subject Shares solely in connection with the Proposal, as set forth in this Agreement and to execute all appropriate instruments consistent with this Agreement on behalf of the Shareholder if, and only if, the Shareholder fails to vote all of the Shareholder’s Subject Shares or execute such other instruments in accordance with the provisions of this Agreement within five (5) days of the Company’s or any other party’s written request for the Shareholder’s written consent or signature. The proxy and power granted by the Shareholder pursuant to this Section are coupled with an interest and are given to secure the performance of such party’s duties under this Agreement. Such proxy and power will be irrevocable for the term hereof. The proxy and power, so long as any party hereto is an individual, will survive the death, incompetency and disability of such party or any other individual holder of the Shares and, so long as any party hereto is an entity, will survive the merger or reorganization of such party or any other entity holding any Subject Shares.

2. TERMINATION.

2.1 This Agreement shall continue in full force and effect from the date hereof through the earliest of the following dates, on which date it shall terminate in its entirety:

- (a) the date of the approval of the Proposal; and

(b) the date as of which the parties hereto terminate this Agreement by written consent.

2.2 Notwithstanding anything in Section 2.1 to the contrary, if this Agreement is terminated, then the obligations of the Shareholder under Section 3.1, 3.2 and 3.10 shall survive such termination.

3. MISCELLANEOUS.

3.1 Specific Performance. The parties hereto hereby declare that it is impossible to measure in money the damages which will accrue to a party hereto or to their heirs, personal representatives, or assigns by reason of a failure to perform any of the obligations under this Agreement and agree that the terms of this Agreement shall be specifically enforceable. If any party hereto or his heirs, personal representatives, or assigns institutes any action or proceeding to specifically enforce the provisions hereof, any person against whom such action or proceeding is brought hereby waives the claim or defense therein that such party or such personal representative has an adequate remedy at law, and such person shall not offer in any such action or proceeding the claim or defense that such remedy at law exists.

3.2 Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, and shall be binding upon the parties hereto in the United States and worldwide.

3.3 Amendment or Waiver. This Agreement may be amended or modified (or provisions of this Agreement waived) only upon the written consent of parties hereto. Any amendment or waiver so effected shall be binding upon the Company, the Shareholder hereto and any assignee of any such party.

3.4 Severability. In the event one or more of the provisions of this Agreement should, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

3.5 Successors and Assigns. The provisions hereof shall inure to the benefit of, and be binding upon, the parties hereto and their respective successors, assigns, heirs, executors and administrators and other legal representatives.

3.6 Additional Shares.
